

LARIX

Lodge

THE HARMONY AND SILENCE OF THE MOUNTAINS ARE MIRRORED IN THE ARCHITECTURE. THE LIGHT FLOODED ROOMS CREATE A WONDERFULLY CALMING LIVING ATMOSPHERE.

Each room is furnished with style and filled with the fragrant scent of larch wood. Just outside your window lies a dramatic view of the gorgeous mountainscape of the Dolomites.

The Larix Lodge was planned and designed by our family - and we also run it. It truly is a unique family business. Need a private chef? Would you like to go on a guided mountain hike? Veneranda, our lodge manager, will take care of that for you. She will make sure your stay is unforgettable.

POSITION

La Villa lies at about 1400 meters above sea level in the heart of Alta Badia. The little ladin mountain village is surrounded by the UNESCO nature parks Puez-Geisler and Fanes-Sennes-Prags, which makes it the perfect destination for nature lovers and people who enjoy a holiday rich in activities. Our house holds the perfect location between ski slopes and the village center. You can even ski right from the slopes up to our front door.
